

Dear Community Leader,

Seven years ago we had an idea about helping sick and injured children. The idea blossomed into a fall event called "Painting for Miracles" and, thanks to our sponsors and auction event donors, we have raised over \$80,000 in our first six years. 100% of the money we raise goes directly to the Children's Miracle Network at UC Davis Children's Hospital, which provides state-of-the-art, lifesaving care for children from California and surrounding states. Their advancements in medicine and care are shared worldwide, giving our program a global impact.

In this, our 7th year, "Painting for Miracles" has taken root and has become a year-round program. Here are some of the ways you can become involved:

- Early November – Annual Program Kickoff
- As Needed – UC Davis Children's Hospital tours
- Early June – Artists / Painting for Miracles Art Show Silent Auction and Mixer
- Second Weekend in September – Paint Weekend
- Last Saturday in September – Silent Auction and Art Show Season Finale

The stories about the children, the artists who bring them to life, and the sale of those paintings are all the foundation for the success we've had. Our video tells the story best - visit www.paintingformiracles.org to see what "Painting for Miracles" is all about. The artists and auction donors are only the first step. We need the help of businesses like yours to reach our goal for 2011. Here are the ways you can get involved:

- Sponsor an artist - each artist at Paint Weekend receives the story of a critically ill child that was helped by the Children's Miracle Network. They paint from the inspiration in the story, and these works of art are sold at the September auction.
- Sponsor the event - we offer a variety of VIP sponsorship levels, so there is something for everyone. We can also customize your sponsorship to ensure that the benefits are in alignment with your business goals.
- Make in-kind contributions - from the boards and paint for the artists to the food served on paint weekend and at the event, every item donated represents a savings on our budget.

Please help us make miracles happen - there are few events like this that can say 100% of your contribution will go to help children, without overhead. Thanks to the generosity of people like you, we can offer that 100% promise with 100% confidence! "Painting for Miracles" is growing, and we invite you to be part of the positive energy!

Gratefully yours,

The 1977 California Information Practices Act requires UC Davis to provide the following information to individuals asked to supply information about themselves:

UC Davis is requesting this information to maintain accurate donor files in the Office of University Relations. Furnishing the information is strictly voluntary and it will be maintained confidentially. The information may be used by other university departments in the regular course of business but will not be disseminated to others

except if required by law. You have the right to review your own data file.

Inquiries should be forwarded to the Director of Advancement Services, University Relations, University of California, Davis, CA 95616.

The University is grateful for the support it receives from alumni and friends. One of the ways our thanks is expressed is through listing the names of donors in various

publications. Should you wish that your name not appear as a donor, please notify us if you have not already done so.

It is the policy of the University of California, Davis to utilize a portion of gifts and/or the short-term investment income on current gifts and grants to support the cost of raising and administering funds.
